From

Collector of South Kanara.

To

The Secretary to the Board,
Land Revenue, Madras.

Alienation - S.Nos.25, 82/1 & 83/1A - Attavar village in Mangalore Town - measuring 1.18 acres - Mangalore Ladies' Club - for the use of the club and its premises.

Mrs. M.S. Sreshta (Lucy Sreshta), Honorary Secretary, Mangalore Ladies' Club, applies for the plots specified above for the use of the club. The applicant is the wife of Mr. Maurice Sreshta, Ceylon C.S., who is a Sessions Judge in Ceylon. The club has already been started with the applicant as its Honorary Secretary and is now located in a rented building in the neighbourhood. The membership of the club is open to all classes. The club is managed by a committee consisting of respectable ladies of the town. The applicant on behalf of the committee is willing to abide by the conditions laid down in paragraph 12 of B.S.O. No.24 and an additional condition that the building should be constructed within two years from the date of the grant and has given a statement to that effect.

2. The club has not, however, been registered under any Act of the Governor-General in Council or of the Governor of Fort St. George in Council as required by G.O.No.289/ Revenue, dated 3rd February 1920, and I did not insist upon its doing so at once, as it is still in its infancy though growing in popularity. The applicant says that the committee undertakes

to register the club under Act XXI of 1860 after a little time when it is placed on a firm and lasting basis. As the object for which the club has been started is a laudable one -------- deserving encouragement and as the ladies of this place are -- likely to derive considerable benefits from an institution --- like this, I beg to recommend the alienation of the plots in - favour of the club free of charge for the occupancy right and also free of ground rent as was done in the case of the land - alienated in favour of the Mahila Sabha - vide G.Os.Nos. ------ 3232/Rev., dated 12th October ~~1919~~ 1917, 256/Rev., dated 19th ----- January 1918 and 2428/Mis., dated 27th October 1919. The Ladies' Club seems to me to deserve these concessions quite as much as the Mahila Sabha (G) (I) (S)

The Collector of South Kanara recommends the alienation under B.S.O no 24 of certain plots of land in Attavar village situated within the limits of Mangalore town ~~[illegible]~~ to the Mangalore Ladies Club. The club has been recently started and membership is open to all classes. Mangalore (G.O no 3232 Rev dated 12-10-17); but in the case of the Indian Ladies Union, Madura, Govt declined to sanction any permanent alienation of land but ordered the grant of a tenancy-at-will (G.O's nos 333 Rev dated 25-1-18 (paragraph 2) and 496 Rev (Mis) dated 1-3-20 (paragraph 5)). The same procedure was followed in the case of the Madura Ladies Club - G.O 426 Rev (Mis) dated 21-2-19. It is not clear to the Board whether the Govt's decision in G.O no 333 Rev dated 25-1-18 to lease instead of to alienate was based on the special circumstances of that rather complicated case or an unwillingness to recognise a ladies' club as a fit case for alienation. The Board therefore requests the orders of Govt whether in this case they are prepared to alienate land under B.S.O no 24 if the Club requests itself.

In connection with the application made by me on behalf of the Mangalore Ladies' Club for a site on the Light House Hill which I understand is now pending for orders either before the Board of Revenue or the Madras Government and in regard to which I had a personal interview with you at Madras on the 28th ultimo I beg to state that since filing the said application the Committee of the Club has this day applied to the District Registrar at Mangalore, for registering the Club under Act XXI of 1860.

From the Honorary Secretary, Mangalore Ladies' Club, dated 14th October 1920.

I beg to intimate that the Mangalore Ladies' Club has been ~~xxxxxxxx~~ duly registered under the Societies Registration Act, 1860 and the certificate granted by the Assistant Registrar of Joint Stock Companies, South Kanara, is herewith submitted for information and favour of return. Order.

The Board of Revenue in its proceedings read above has submitted for orders the question of the alienation under B.S.O.24 of certain plots of land in Mangalore town to the Mangalore Ladies' Club. The Government consider that the case in question should be dealt with in accordance with the principle followed in the case of the Madura Ladies' Club which was disposed of in G.O.No.426, dated 21st February 1919. They are accordingly prepared to grant the club a tenancy at will, subject to payment of ground-rent revisable at resettlements and to conditions enabling the land to be resumed by Government without cause shown, on payment of the value of the buildings which may have been erected on the land, if the club is willing to accept a tenancy on these terms.

Subject. Alienation — Land and Revenue (South Kanara) — Mangalore Taluk — Attavar village — Ladies' Club Mangalore — Club and its premises

FROM The Collector of South Kanara

C Register No. 3245/20

To Assistant Secretary

The question for consideration is whether the lands in question should be alienated under B.S.O No. 24. Under G.O No 1934 Rev dated 11-8-20 no State land can be alienated under B.S.O No 24 to a corporate body unless it has been registered as required by G.O No 289 Revenue dated 3-2-20. The case of the Mangalore Mahila Sabha referred to by the Collector was before the orders of Govt regarding registration of such bodies were first issued in 1918. Further in the case of two similar applications received from Madura

ie other on behalf of the ladies club), Govt declined to sanction any permanent alienation of land but only sanctioned the grant of a tenancy at will subject to the payment of ground rent and subject to conditions enabling the land to be resumed without cause shown on payment of the value of the buildings which may be erected on the land. It is therefore for orders whether the Collector may be asked to report whether the Secretary of the club agrees to the above ~~exceptions~~ proposal

Information on the following points may also be called for from the Collector

(i) Whether the lands in question are required or are likely to be required in the near future for any department of Govt or for any public purpose?

Ref dd 9.12.16 at p 40 of (W)

if any ... ...

(iii) Whether the Municipal Council Mangalore town within the limits of which the lands in question are situated has no objection to their assignment ~~as requested~~ to the Club.

(iv) The uses to which the lands in question are to be put should be detailed. Presumably it is to be for a Sabha building, tennis and badminton courts and flower garden as in the case of the Mahila Sabha.

(G1)

+(v) The settlement register of Attavar village shows S. No 25 as measuring only 21 cents and shows no subdivisions in the case of S. Nos 82 and 83. The Collector's letter and the statement of the Secretary of the Club refer to the lands as village survey numbers and these presumably denote the Town Survey Nos as noted in the alienation statements.

The Board's recommendation in (I) was based on Govt.'s decision in (W). It was clear whether Govt.'s decision in (W) to grant ahimsali was based on the special circumstances. Whether such a case or an unwillingness to require a Ladies Club as a pre-case for ahimsalia the majority of Govt. whether in the case they are prepared to ahimsali if the Club deposits this.

Please see Bdo Refce at pp7-8 cf. and the orders of Govt at pp9-10 c.f. for orders whether the Collector may be asked to report if the Mangalore Ladies Club is willing to accept a tenancy-at-will for the lands subject to the conditions specified by Govt. It is perhaps unnecessary to ask the Collector to report on the points (i) to (iv) referred to in para 2 of the note at pp 2-3 nf the discrepancy noticed in paragraph 2 (iv) at p 3 nf may however be pointed out for Collector.
